*All board meetings will be open to all owners. Owners who want to attend a meeting must indicate to the secretary two weeks before the meeting in writing their intentions to attend. Additionally, agenda items must be submitted in writing two weeks prior to the meeting. The secretary or her designee will record all meetings. No cell phones, recording devices, cameras, or children are permitted at the meeting. Owners attending the board's meeting will be observers. Vocal participation is not permitted unless the owner has submitted an agenda item that has been included on the program of business. The board at its discretion may include on its agenda a period of open discussion at the conclusion of the meeting for all observers.
